

**California Arts Council (CAC) - Statewide Programs
Multicultural Infrastructure Support (MIS)
Progress Report - 2006-07**

Due August 1 & December 1, 2007.

The MIS Program is a partnership between the CAC and culturally specific and multicultural statewide arts networks to promote the public value of the arts by realizing opportunities that enhance **organizational capacity** and **community building through advocacy**.

Please include the questions below in your response.

- a. Summarize your current MIS achievements as they relate to the intent of your grant:
 - Organizational Capacity (address those that apply):
 - Managerial & Fiscal Competence;
 - Community Representation;
 - Programs & Services.
 - Community Building through Advocacy:
 - To work with the CAC in advancing a statewide arts agenda, and to further the interests(s) of your constituent base;
 - Expand communication and participation of your membership and field;
 - Represent the specific interests of your field.
- b. Describe factors or circumstances (positive or negative) within your organization's environment that affect progress toward achieving your goals.
- c. In what ways is the community (ies) you serve stronger or a better place to live because of your work through this grant? Share your success story (ies).
(Optional at this time)
